DATE MAILED: 09/25/2002

Notice of Possible Fee Increase on October 1, 2002

If a reply to a "Notice of Allowance and Fee(s) Due" is filed in the Office on or after October 1, 2002, then the amount due may be higher than that set forth in the "Notice of Allowance and Fee(s) Due" since there may be an increase in fees effective on October 1, 2002. See Revision of Patent and Trademark Fees for Fiscal Year 2003: Notice of Proposed Rulemaking, 67 Fed. Reg. 30634, 30636 (May 7, 2002). Although a change to the amount of the publication fee is not currently proposed for October 2002, if the issue fee or publication fee is to be paid on or after October 1, 2002, applicant should check the USPTO web site for the current fees before submitting the payment. The USPTO Internet address for the fee schedule is: <http://www.uspto.gov/main/howtofees.htm>.

If the issue fee paid is the amount shown on the "Notice of Allowance and Fee(s) Due," but not the correct amount in view of any fee increase, a "Notice to Pay Balance of Issue Fee" will be mailed to applicant. In order to avoid processing delays associated with mailing of a "Notice to Pay Balance of Issue Fee," if the response to the Notice of Allowance and Fee(s) due form is to be filed on or after October 1, 2002 (or mailed with a certificate of mailing on or after October 1, 2002), the issue fee paid should be the fee that is required at the time the fee is paid. If the issue fee was previously paid, and the response to the "Notice of Allowance and Fee(s) Due" includes a request to apply a previously-paid issue fee to the issue fee now due, then the difference between the issue fee amount at the time the response is filed and the previously paid issue fee should be paid. See Manual of Patent Examining Procedure, Section 1308.01 (Eighth Edition, August 2001).

Questions relating to issue and publication fee payments should be directed to the Customer Service Center of the Office of Patent Publication at (703) 305-8283.

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ms. Cathy Santa Cruz on September 18, 2002.

2. The application has been amended as follows:

In the Specification:

replace the abstract in the application with the following abstract:

C1 --A sanitary undergarment which is usable with an absorbent pad having lateral extension wings thereon. The undergarment having a first and a second crotch portion between which the lateral extension wings can be inserted and held in a secure manner by adhesive. The undergarment can be boxer shorts or a panty.--

In Claim 8(Patent Claim 1).

lines 24, 27 and 28-29: change "is covered with adhesive"(each) to --having an adhesive covered--;

line 31: delete "when" and "removable" and change "then" to --and--;

line 32: change "can be positioned onto" to --is--.

Art Unit: 3761

Cancel claims 5-7.

Claims 1-4 were previously canceled.

3. The following changes to the drawings have been approved by the examiner and agreed upon by applicant: see red ink changes in attached Figures. In order to avoid abandonment of the application, applicant must make these above agreed upon drawing changes.

4. The following is an examiner's statement of reasons for allowance: the prior art references, alone or in any combination, do not teach a panty-shaped sanitary undergarment of permanently attached portions, the crotch portions of which defined an internal opening open laterally which receives the wing extensions of an absorbent pad therein, the absorbent pad is further attached to the top and bottom surfaces of the internal crotch portion by adhesive on the bottom surface and wing extensions of the pad, respectively, in combination with the other claimed features in claim 8. It is noted that there is a mark on the declaration adjacent the citizenship of the second inventor. Since the mark is not initialed or signed it is presumed that the citizenship of the second inventor is USA as set forth.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Art Unit: 3761

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to K. M. Reichle whose telephone number is (703) 308-2617.
